

Auburn Community Acupuncture
Financial Policies

It is our deepest desire to make acupuncture affordable for everyone. By providing you with a sliding scale we hope to allow you to get enough acupuncture to get better and stay better.

All treatments are on a sliding scale of \$15.00 - \$40.00, with an added \$10.00 paperwork fee for the first visit. You may decide how much you pay within this sliding scale. No income verification is asked for. At times we may have more cash flow and other times less. If you can afford to pay more then please do so, however if you need the lower end of the scale, please use it. Whatever amount you pay is fine with us. Really.

If you would like to support our clinic in other ways than just monetarily please see the Clinic Wish List, near the payment box. What really makes this clinic work so it can serve you is for you to send in referrals.

The clinic does have a policy which requires notice of cancellations. Any appointment that is **cancelled on the day of the appointment will be charged \$15.00**. If you call the day before to cancel or if you reschedule for a different time that day you will not be charged.

Thank You
